Thank you so much for downloading the October 2018 Project Print Calendar!

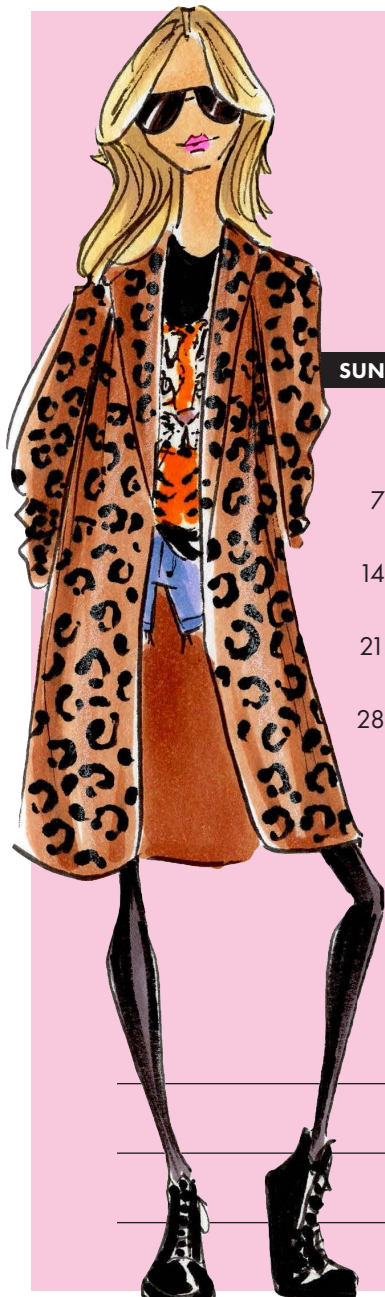

*This is a 4.25 x 6.5 inch calendar that fits perfectly in a frame, desk easel, or clipboard.

* PLEASE NOTE: This file is for personal use only. You may not forward, share, sell or distribute the file.

MY RECOMMENDATIONS FOR PRINTING:

When printing, I recommend using a bright white cardstock or heavy, matte photo paper (80lb or above). This will ensure you get the best and most clear print possible.

1. Open PDF file and scroll through to make sure everything is there.
2. Click Print and on the print screen options, click "Actual Size." If you are taking this file to a print shop, be sure they know to print at "actual size" option on their print screen as well, otherwise the illustrations will be pixelated.
3. Click PRINT and enjoy!
